DEDICATION

We wish to dedicate our 1966-67 DRAGON to...

Mrs. Emma Kyzar.

As the seventh and eighth grade English teacher, she has built a strong foundation for all her students as they head for high school and on to college.

During her many years at Bangs she has won the love and respect of all those who know her. Through her untiring efforts she has helped establish our National Honor Society, a great honor to the students of Bangs High.

We, the Annual Staff, are proud to present you, Mrs. Kyzar, with this token of our esteem and praise.

IN MEMORY OF . . .

Tommy Lee Sikes . . .

On August 6, 1966, we gathered with hearts saddened by the death of Tommy Lee Sikes, a friend to everyone. It does not seem possible that his place is now empty.

He attained his highest aim by being a coach. His first year of coaching was on the Eldorado High School Coaching Staff.

He was an outstanding track athlete at Bangs High School and continued his education at Howard Payne College where he was selected as a member of the All-American Track Team. Tommy always encouraged younger boys to keep striving for a rewardable goal, for no goal is too hard to reach.

SUPERINTENDENT'S MESSAGE

To Students and Teachers:

Again we have reached the end of a school year and I would like to take this opportunity to thank all those who have helped the students in Bangs School, especially the teachers and those parents who have added to the educational scene.

I would like to thank the students that have given of their time to work on this annual, especially to you seniors for your help.

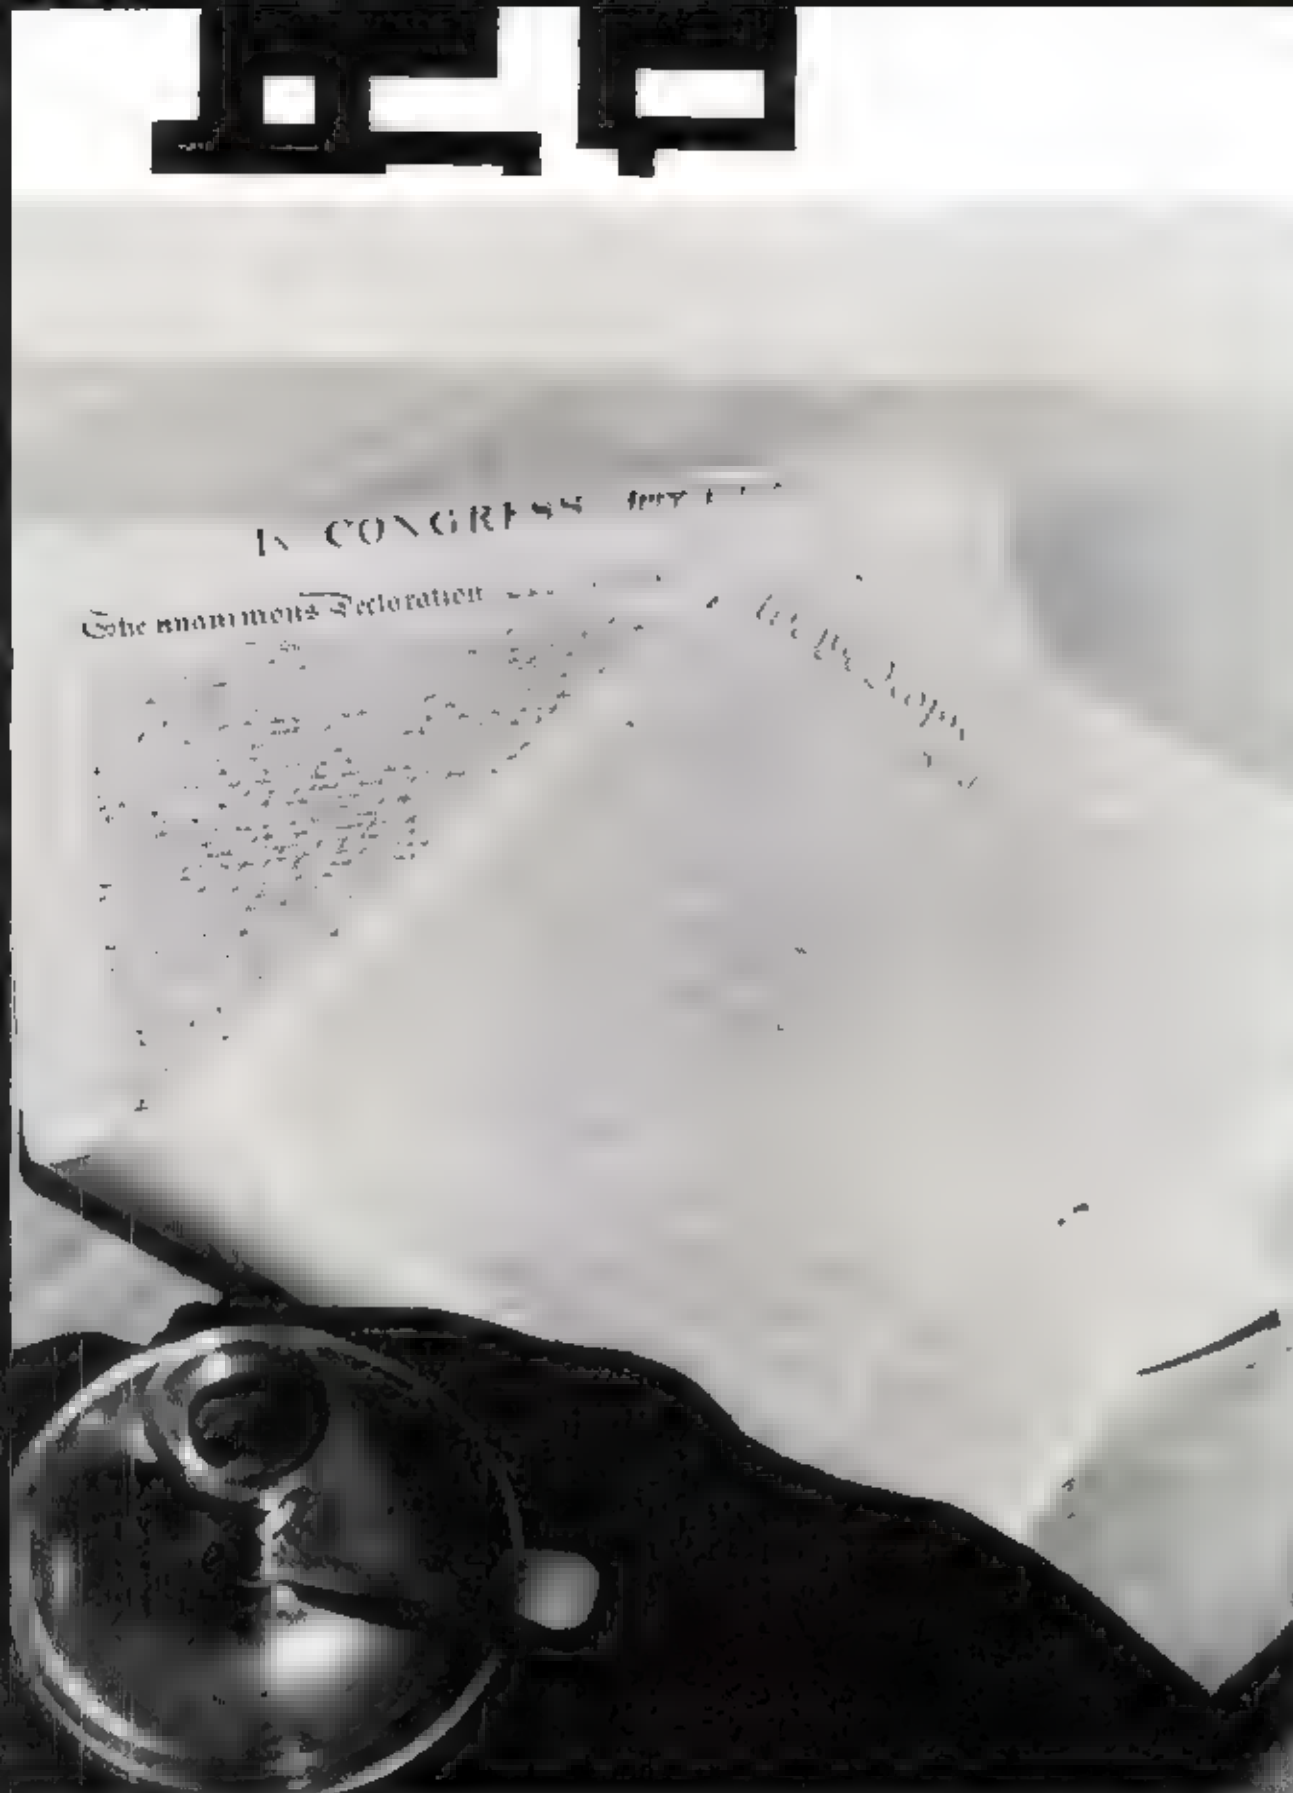

This annual will become a brief history of the activities of this school year. I am sure that you will receive many hours of enjoyment in the years to come reminiscing over this book and your experiences in high school.

To you who have completed your last year at Bangs we wish you a happy voyage on your future life.

GOODBYE AND GOOD LUCK

This is the end of our annual--it symbolizes the end of our 1966-67 school year at Bangs High.

We hope, as you turn the pages of this annual, that your memories will be happy ones. For some this is their last Bangs High Annual--for others it is the first. May it bring you pleasant memories of your school days at B.H.S. And most of all remember these words...

"In the heart of grand old Texas
Is Bangs High, Bangs High;
Dear to students and to exes,
Bangs High, Bangs High;
And no matter where we roam
Back to you we'll ever come;
For we'll always call you home,
Bangs High, Bangs High;
For we'll always call you home,
Bangs High.

You have taught us how to love you,
Bangs High, Bangs High;
As the Stars in Heaven above you,
Bangs High, Bangs High;
Shine forever in the blue
So we'll always be to you
Just as loyal and as true,
Bangs High, Bangs High;
Just as loyal and as true,
Bangs High.

Words and music by the late
Mrs. F. R. Early

Danny,

You are a great guy
with a good personality.
I have really enjoyed
going to school with
you all these years.
Good luck to you in
football next year.
Always remember we
are behind you all the
way.

Love,
Dayle
